Remove the illustrations from the pre-cut sheets

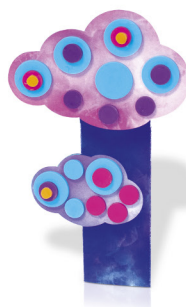

Apply the glue to the Stix, put them on the illustrations and leave them to dry (about 10 minutes)

Note: We suggest you stick the Medium and Mini Stix on the birds' wings

Fold the illustrations along the lines and join the two notches at the ends together to obtain a 3D creation

To decorate the clouds
(example given for the large clouds A, A' and A'')

a. Apply the glue to the back of cloud A
b. Stick the left part of cloud A' to the left part of cloud A
c. Stick the right part of cloud A'' to the right part of cloud A
d. Then, stick the two central parts

Repeats steps a to d for clouds B, B' and B''

Lay out all your creations as you want to create your "Into the clouds" scene!

Warning!  Contains small parts. Choking hazard.

Message to parents: Read the instructions with your child before using. Be sure to follow them and keep them as a reference. Only put the Stix and glue on the drawing. Do not use the Stix and glue on skin. Keep away from eyes. Wash hands thoroughly after use. Do not swallow. Do not insert Stix into the nose or ears. See a doctor immediately if your child swallows a large number of Stix, or if a Stix is inserted into the nose or ears. Bring the instructions and a few Stix with you. Please remove all plastic tags, ties, and any other protective elements which do not make up part of the toy, before giving it to the child. Please retain information for future reference. Colours and contents may vary from those shown.
